<p>The most important aspect of our program is the people we recruit, hire, and train to facilitate the ISC experience. These selfless individuals are used to eternally impact young people each summer. This year we will hire approx. 200 volunteers for our Summer Staff team. These young adults and young-at-heart adults will be counselors, coaches, and activity staff during all 5 weeks of camp programming. Summer Staff trainings feature amazing speakers and camp best practices. Some specific sessions include small group leadership, communicating the Gospel of Jesus Christ, building relationships with campers, and preparing our staff for the action-packed terms of camp ahead. Summer Staff Trainings are vital to learning ISC culture, practice responsibilities, and building team dynamics. Every summer, our team grows personally and spiritually well before camp begins! There are 2 different Summer Staff training periods in June & July.</p>	<p>ISC Summer Staff Leadership is not a status symbol or a clique, but a role of servant leadership and taking the “I’m Third” attitude (Jesus 1st, others 2nd, “I’m 3rd”) to a deeper level. The ISC Leadership Team is an amazing opportunity for young adults to be challenged to grow as ISC continues to grow. We place serious expectations of excellence and service on our leadership team. The individuals who are invited to serve in leadership have already demonstrated the following key characteristics:</p> <ul style="list-style-type: none"> • Committed • Mission-driven • Reliable • Skillful Interpersonal Communicator • Mature <p>In May, we will train 40+ of the highest caliber young adults at ISC Leadership Training. Throughout the summer they will serve as lead counselors and help facilitate several aspects of our general Summer Staff Training.</p>	<p>Over the last couple of years, we came to the logical conclusion that as our camper population grows at a tremendous rate, our Camp Director-level leadership capacity must increase. In 2023, we facilitated our first Director Training. It is an extremely select invitation for people who have tremendous dedication to the mission of ISC, excellent leadership skills, and the potential to immediately be promoted into director-level roles. Most of these individuals (pictured) went on to serve as Assistant Director, Women’s Director, or Men’s Director immediately last summer, while being mentored by our veteran team of Directors. On April 7th, we will once provide Directors Training for 18 high-level leaders. This training is a full day of intensive that includes sessions specifically focused on the Summer Director roles.</p>

Would you prayerfully consider supporting our Summer Leaders?

We are extremely grateful for your faithful prayer and generous support. Thank you for partnering with us to see cities transformed one camper at a time by Jesus Christ. We cannot wait to see what God does this summer!

Trusting Him,
