

INSPIRE Sports Camps

2025 Practical Needs & Ministry Projects

New Program Trailer	Leadership Housing RVs
	
<p>The majority of ISC's summer program equipment, gear, and materials are stored in landscaper-style Cargo Trailer. This trailer travels thousands of miles between our camp facilities each summer. Several years ago, we were gifted a used trailer, which has served us well, but now needs to be retired.</p>	<p>On Terms 5 & 6 we must rent (2) RV Travel Trailers for our Men's & Women's leadership teams, due to limited adult lodging at that site. Accommodations for these adult leaders are a necessary but added expense. We are looking to cover rental costs, but open to RV donations or borrowing RVs.</p>
<p>Project Total: \$ 10,500</p>	<p>Project Total: \$ 5,800/ week</p>
<p>*Do you have an RV that you would lend or donate?</p>	

Summer Staff Training	Leadership Training	Directors Training
		
<p>The most important aspect of our program is the people we recruit, hire, and train to facilitate the ISC experience. These selfless individuals are used to eternally impact young people each summer. This year we will hire approx. 250 volunteers for our Summer Staff team. Summer Staff Trainings are vital to learning ISC culture, practicing responsibilities, and building team dynamics. Every summer, our team grows personally and spiritually well before camp begins! There are 2 different Summer Staff training periods in June & July.</p>	<p>ISC Summer Staff Leadership is not a status symbol or a clique, but a role of servant leadership. The ISC Leadership Team is an amazing opportunity for young adults to be challenged to grow as ISC continues to grow. We place serious expectations of excellence and service on our leadership team. In May, we will train 60+ of the highest caliber young adults at ISC Leadership Training. Each summer they serve as lead counselors and help facilitate several aspects of our general Summer Staff Training.</p>	<p>Directors Training has been one of the most important additions to our annual program! Director candidates have demonstrated tremendous dedication to the mission of ISC, excellent leadership skills, and the potential to immediately be promoted into director-level roles. Over the last three years we have prepared and promoted numerous Assistant Directors, Men's & Women's Directors, and Program Directors. This April, we will train 20 high-level leaders.</p>
<p>Project Total: \$ 34,725</p>	<p>Project Total: \$ 12,840</p>	<p>Project Total: \$ 4,050</p>

Would you prayerfully consider supporting one of these projects?
